Regen Membership

Our members help us to be a strong, informed and independent force for change.

Get plugged into the transformation of the whole energy system – join us and shape the future of sustainable energy.

Have influence

- Engage in our policy work, and contribute to consultation responses
- Set the agenda by joining our forums

Stay informed

- Regular policy and market insight updates
- Discount rates for our industry-leading events, e.g. Renewable Futures

Get connected

- Showcase your business with exhibition space and network at our events
- Share case studies for our publications

Standard annual membership fee is of £900 + VAT open to all.

Or, inquire about **discount (SME and Community)** and **tailored packages (Local Authority)**.

For a more focused membership, Regen also manages the **Electricity Storage Network**.

Regen Events

Subsidy Free Solar Developer Forum

Bristol, Osborne Clarke - 15 October

Brings together leading players in the sector with key policy makers and regulators to discuss how to enable large scale solar to become a successful and sustainable sector playing a key role in the UK's energy future and decarbonisation targets.

EWiRE - Mentor Matching

Bristol, 29 October / London, 31 October / Edinburgh, 5 November

Held in partnership with Burges Salmon, provides an opportunity to meet your potential mentor and/or mentee face to face.

Renewable Futures and Green Energy Awards 2019

Assembly Rooms, Bath, 27 November

Industry leading event featuring a lineup of experts and key policy makers exploring how the energy industry can rise to the challenge of meeting our net zero targets and delve into the disruptive innovations already shaking up the energy market.

Thank you for joining us, please stay for canapes
and networking
