Ticket Type	Cost
Community Renewable Futures conference ticket	£35
Community Renewable Futures pop up banner	£80
Standard Renewable Futures conference ticket	Starts at £195

## Powering Change and community energy, the next generation 14 November, Plymouth

Western Power Distribution, Plymouth Energy Community and Regen will be holding an energy jamboree to celebrate the achievements of community energy projects and look at ways to make our energy system work better for us. We will be exploring how the energy system is changing and the opportunities for communities to innovate and collaborate with network operators.

**Book online for both events at [www.regen.co.uk/events](http://www.regen.co.uk/events)**

# Thank you for coming

We are happy to stay for networking

Please hand your badges back in at the registration desk when you leave and don't forget to fill in your feedback form!
