Engaging with Regen

Membership

Get plugged into the transformation of the energy system through our policy and market insights, sector knowledge and extensive network developed through ground-breaking research and pioneering projects.

Events

Regen's event programme is a key way to keep up date with the latest sector developments, network with peers and discuss the issues that are at the forefront of our energy sector. Upcoming events include:

19 Sept: [Community energy innovation, Cardiff](#)

20 Sept: [Entrepreneurial Women in Renewables 'A whole system approach in Wales'](#)

09 Oct: [Community engagement with Western Power Distribution, Birmingham](#)

27 Nov: [Renewable Futures](#)

The Assembly Rooms, Bath, 27 November 2018

Join our unique line-up of industry leaders for our Renewable Futures conference, exhibition and Green Energy Awards ceremony.

This industry leading event will feature a line up of experts and key policy makers who will analyse the disruptive innovations shaking up the energy market and examine the strategies to adapt and create value in a rapidly changing market.
