# Regen Engagement

Our members help us to be a strong, informed and independent force for change.  
Get plugged into the transformation of the whole energy system – join us and shape the future of sustainable energy.

## Have influence

- Engage in our policy work, and contribute to consultation responses
- Set the agenda by joining our forums

## Stay informed

- Regular policy and market insight updates
- Discount rates for our industry-leading events, e.g. Renewable Futures

## Get connected

- Showcase your business with exhibition space and network at our events
- Share case studies for our publications

**Standard annual membership** fee is of £900 + VAT open to all.

Or, inquire about **discount (SME and Community)** and **tailored packages (Local Authority)**.

For a more focused membership, Regen now manages the **Electricity Storage Network**.
